

65th Australian National Square Dance Convention July 7th – 11th 2025

NEWS UPDATE #1 FEBRUARY 2024

This is the first of what will be regular updates in the lead up to the event and is really a test for our contact database.

Have you investigated our Website - 2025.ansdc.au ?

The countdown clock says there are 503 days to go. You may like to take a virtual tour of our venue, look at suggestions for accommodation or contact our committee. We'd love to hear from you at any time to tell us about yourself or give us some feedback on our website.

Did you know that registration forms cannot be released for Australian Nationals until the start of the Convention prior to our own? Registration forms will be available from the 20th May 2024 on our website, from our information booth at the 64th ANSDC in Darwin and from our Registrar.

You can complete your registration online, pick one up from our Darwin booth, request a form from our registrar or print your own from our website and either email or mail to our Registrar.

We are pleased to have already received over 60 "Expressions of Interest" and invite you to be an ambassador and spread the news to your Square Dance Friends.
